

Johnson, Frederick William

2-18-1894

January 15th, 1914

Rev. F. W. Anderson,

Orillia.

Dear Mr. Anderson:

I am afraid that with my engagements it would be impossible for me to go to Orillia this winter. Your letter does not say when the new building is to be opened. Possibly by that time I may be a little freer than I am likely to be in the immediate future.

With kind regards, I am,

Yours sincerely,

President.
